Golden Silk Oil – Women’s Best Friend

Golden Silk Oil is a 100% natural skin care product. It is made entirely from Golden Camellias.

Golden Camellia, with its golden flowers is extremely rare. It is only found in mild to warm sub-tropical hilly areas of East Asia. The total number of wild-grown Golden Camellias trees is estimated at only around twenty thousand.

Oil extracted from Golden Camellia flower is light, with a subtle green hue. It is light in texture. It absorbs into the skin quickly and thoroughly without surface residues.

Golden Camellia Oil provides best essence to promote the skin cell metabolism and provide nutrition to skin layer by layer --- stratum basal layer, subcutaneous layer and epidermis.

Golden Silk Oil---100% natural skin care product

Golden Camellia Oil is the Japanese women's best friend as it keeps their skin in perfect condition.

Golden camellia oil contains many natural substances such as Squalene, Vitamins A, B, C and D, β -carotene, Poly-Phenols, Plant Proteins and other fabulous substances.

Golden Camellia Oil keeps the skin look young and healthy.

Benefits:

1. **Golden Silk Oil quickly heals dry skin**

Because its natural content is very similar to the human sebum, Golden Silk Oil will improve the skin condition quickly.

2. **Golden Silk Oil smoothes out wrinkles and improves skin elasticity**

3. **Particularly suitable for sensitive skin**

Many women suffer “cosmetic syndrome” from use of chemical cosmetics and cleansers. These make the skin very thin and fragile, making it over-sensitive to sunshine and to many skin creams. Using Golden Silk Oil makes the skin feeling smooth and comfortable. Golden Silk Oil combines with the skin's natural sebum to protect the skin's health.

4. **Golden Silk Oil helps removes acne**

Polyphenols in Golden Camellia Oil are very effective anti-oxidants.

5. **Golden Silk Oil is excellent for sufferers of eczema and bed sores.** It repairs damaged tissues fast.

6. **Using on lips and other soft tissue**, keeping them soft, elastic and healthy.
